#### About the South African Chapter of the BRICS Business Council

Currently in its 10<sup>th</sup> year, the South African Chapter of the BRICS Business Council was established during the Fifth BRICS Summit held in March 2013 in Durban, South Africa. The objective of creating the council was to constitute a platform which will promote and strengthen business, trade and investment ties amongst the business communities of the five BRICS countries, ensure that there is regular dialogue between the business communities of the BRICS nations and the Governments of the BRICS countries; and identify problems and bottlenecks to ensure greater economic, trade and investment ties amongst the BRICS countries and recommend solutions accordingly.

#### About Africa CDC:

The Africa Centres for Disease Control and Prevention (Africa CDC) is the continental autonomous Health agency of the African Union that strengthens the capacity and capability of Africa's public health institutions as well as partnerships to detect and respond quickly and effectively to disease threats and outbreaks, based on data-driven interventions and programmes.
